

Story time at the Nelson Library

Welcome to the Nelson Library story time for October 2008 through May 2009. Story time will include a light snack and stories read by the librarian or a guest reader. Those signing up for story time are expected to attend the program and respect the quiet library environment.

To sign up for the program please call the library at **847-3214** or visit the library. The library will need contact information in case of an emergency. Story time will meet every Monday after school, when school is in session.

To get there, students may take a school bus to the Common to come to story time, if the slip below is filled out and returned to the Nelson School. If your child will not be at story time on any given week please call both the school and the library.

Pick up time is at 4:00. Students need to stay inside the library building until a parent arrives to pick them up. Story time ends at 4:00, and you may pick up your child at that time or join them at the library.
